Since 1992, I have been sharing and making places desirable for other travelers through my experiential Travel Photography and Travel Writing. I love to capture the sights, sounds, and stories of the places I visit. I am a Travel Photographer who can turn your destination into the most sought after. I am featured in imagesbazaar and indipicture websites.

In my travel writing, I don't normally write about the usual 10 things to do, 15 landmarks, 12 tips, etc, but I still make you know about destinations through my first hand experiences. I have been Routinely Published in Srishti, Terrascope, The Statesman, Discover India, Swagat, The Times of India, The Hindustan Times, Sakal Times, The Pioneer etc.

I am also a winner of various photography awards like Incredible India, Fujifilm Travel photo awards, Singapore, etc.
